HAPPY NEW YEAR

Birthdays of the Month

- ❖ Jacob
- ❖ Janya
- ❖ Nicole
- ❖ Owen
- ❖ Sean

Wish you all a Very Happy Birthday!

Thank you ...

...to all our parents, children, families, and our Abacus team who came to our own Winter Concert! It is one of most exciting times for our children and we certainly hope you all had a good time! Special thanks to Calvary for the facility!

Welcome back everyone! We hope all of you had a nice break and enjoyed time with family and friends to ring in the new year!

With the new year comes new excitement and renewed energy. And we are starting with a bang! The much awaited P3 classroom opens this month and is being led by Ms. Bickel. And we are also pleased to announce that we have hired another lead teacher Ms. Felicia, a Montessori certified teacher with over 15 years experience, who will be taking over from Ms. Sabah. An introductory message with more details is going out shortly to all P2 parents.

We wish everyone a fabulous new year with health and happiness. Let's make it rock!

Cold Spell

This year has started with a brutally cold spell. So a friendly reminder to make sure your child is appropriately dressed. We can always take layers off if they are warm. Be sure to LABEL all those layers and rain boots and any other items that may come to school. We will have teachers check your students extra clothing bin to exchange any seasonally inappropriate clothing for things that will keep these kids warm and cozy. Teachers will leave bins on the shoe cubbies for parents to check on Wednesday the 8th. Fresh air and exercise are important for staying healthy.

Reminder: \$\$\$ We pay cash rewards for new family and new employee referrals \$\$\$

Primary Classes Updates

What better time than this month to talk about snow! We will be discussing the weather, what causes ice and snow, and transition to topics within geology.

Kindergarten Update

Our kindergartners will be learning more about digraphs and continuing with sight words. We have begun journaling and more!

Toddler Class Updates

Our toddlers are going to learn all about arctic animals, and how they thrive in the snow and very cold conditions.

Our older toddlers are moving up to Primary beginning this month! We will be phasing in the transitions to make for a warm welcome into their new P3 classroom and begin to learn new material.

Community Movie Night

A few years ago we had a wonderful time having a community movie night. Our parents and students came together and choose a movie and watched it together in the playroom. We wanted to see if anyone would be interested in bringing back this tradition. A link to a Signup Genius will be coming out in the weekly update.

Upcoming Events

- Martin Luther King Jr Day: 1/15 – Yes we are Open!
- Community Movie Night 1/19
- PTO Meeting 2/1 6:15pm to 7:15pm

Reminder: \$\$\$ We pay cash rewards for new family and new employee referrals \$\$\$
